

Rules & Regulation Handbook

INTRODUCTION

It is the intent of the management of the Club to limit these rules and regulations to the minimum required for the mutual enjoyment of the Club by all of its members, guests and patrons. These policies and rules are designed to ensure proper and safe operation of the facility and to provide wholesome recreation for members and patrons.

The obligation of enforcing these rules and regulations is placed in the hands of the carefully selected and trained staff whose principal responsibility is to assure you of all the courtesies, comforts and services possible. It is further the duty of members and patrons to know the rules and regulations and to cooperate with the management and staff in their enforcement.

The Club is committed to improving the quality and quantity of its facilities as influenced by membership growth and prudent business judgment. ***The Club is an independently owned business run for profit.***

The increased complexity of properly operating a recreational club demands full-time professional management by trained knowledgeable staff. Therefore, East West Partners Club Management has the complete responsibility for managing the Club so that it remains a source of pride and enjoyment to its members and patrons, as well as an economically viable and self-sustaining venture.

The information, rules and regulations contained in this booklet may be changed periodically and without notice as deemed necessary by management.

Your cooperation with these rules and regulations is appreciated. For more information please contact the Club Manager.

Members also have the responsibility to make all guests aware of this before bringing them to the club.

Members further agree to inform any and all guests about the Club policies, procedures, and that there is inherent risks in the use of the Club facility and participating in any and all Club functions/events or using Club fixtures by their nature and each guest assumes those risks for themselves.

Members understand that they must keep updated membership documentation with the office at all time, and accept that from time to time they will have to fill out updated membership forms upon request.

INITIATION FEE, DUES PAYMENT AND CHARGES

The initiation fee should be paid by cash, check, or credit card (Visa or MasterCard) and should accompany the membership application. The initiation fee is a one time fee as long as your dues stay current. Initiation fees are transferable but NOT REFUNDABLE after membership acceptance. *See Membership Transferability section for further explanation.*

Dues are prorated from the date of receipt of the application for the first month or quarter. Each month or quarter following, the member assumes payment of current dues by Visa, MasterCard or Electronic Funds Transfer on the first billing day of the payment cycle. If a member chooses to pay for the full year of dues up front, dues will be prorated for the remainder of the current calendar year. Members may pay yearly dues by cash, check, electronic funds transfer or credit card.

All memberships must be secured with a credit card (Visa or MasterCard) if paying yearly by cash or check. If cash or check payment is not received for dues by January 1st of the following year, the credit card on file will be charged for payment on January 3rd. If payment is not received or check is returned for non-sufficient funds and the secured credit card is charged, the membership must be paid by cash or credit card from that point forward. If your account has not been updated or if the Club is not able to process your credit card payment then the membership will be dropped and an administrative fee of \$50.00 will be imposed to reinstate the membership. If the membership is dropped/terminated for more than one month then a rejoining fee must be paid for the membership to be re-instated.

There shall be no involuntary assessments of any kind or character ever levied against the membership. All Club dues will be billed through the Club billing system.

*There will be a \$35 charge on all returned checks or declined electronic draft charges and membership may be jeopardized.

Management reserves the right to raise the initiation fees and/or dues at its sole discretion to ensure the success and viability of the Club.

RENEWAL OF MEMBERSHIP

All members must agree to pay the Woodcroft Club the Initiation Fee together with any applicable sales tax, or other taxes, and the membership dues for the category of membership selected. Members have an obligation to keep a valid approved credit card on file with the Woodcroft Club at all times. Any and all dues, fees, and charges for food, beverage, merchandise, and services of the Woodcroft Club incurred by a member, their family, and/or their guests will be charged to the member's credit card on file if not paid in cash or check and the member is responsible for all amounts that are not paid by the credit card company. With submission of a membership application and under the terms of membership a member authorizes any and all charges incurred on their account with the Woodcroft Club to be charged to the credit card on file. The member certifies that the given card is issued to the member and the member agrees that all disputes on the credit card account relating to the Woodcroft Club will be promptly brought to the Woodcroft Club's attention. With the membership application the member acknowledges and authorizes that any and all charges incurred on their account with the Woodcroft Club will continue to be charged unless a formal written letter of resignation is received by the Woodcroft Club prior to the billing dates.

All dues are non-refundable after the billing dates. Monthly & quarterly dues will be automatically billed to my MC/Visa unless the year's dues are paid in full. Membership is automatically renewed unless a written letter of termination is received prior to the billing dates, which is the 1st day of every month for monthly payers, 1st day of every quarter for quarterly payers or January 1st for yearly payers. If payment is not received by the 1st day of the chosen billing cycle, then the Woodcroft Club reserves the right to terminate the membership. Rejoining fees or back dues will apply if a member wishes to rejoin or re-instate their membership.

MEMBERSHIP CARDS

Each member of the Club will receive a membership card upon joining the facility. This card must be presented upon each visit to the pool. Members should have their membership cards on them when utilizing Club facilities, including tennis courts and the fitness room, year-round.

Should a member lose the card, the Club must be contacted for a new card to be issued for facility access. There will be a \$2 charge for all replacement cards. Members must keep current membership cards until new ones are issued.

UPGRADES

Upgrading a membership is changing from one membership category to one of a higher classification. The member assumes payment for the difference in the amount originally paid to join the Club, in addition to appropriate dues payment for the higher classification.

DOWNGRADES

Downgrading a membership is changing from one membership category to one of a lower classification. No refund will be given to dues already paid or initiation fees if applicable.

To upgrade at a later date, the member must meet the lesser of these 2 requirements:

- Pay the difference in dues from the lesser to higher classification for each month from the time of the downgrade, plus a \$50 administrative fee
- Pay the rejoining initiation fee followed by appropriate monthly dues

DIVORCE OR SEPARATION

Membership must be continued as a family until a court ordered divorce or legal separation takes place.

To retain a membership after divorce or separation, the person with custody of the children maintains the family membership. The person without custody applies for a single membership to the Club at no additional initiation fee. If no children are involved then both parties retain single memberships, with no additional initiation fees. Separate dues will be charged to each individual account.

MEMBERSHIP TRANSFERABILITY

Membership is transferable, but not refundable provided the membership is in good standing.

To transfer a membership the following must be met:

- Address must be the same from Current to New member
- Current member must resign
- New member must bring in new application with correct billing information
- There can be no lapse in dues payment

TERMINATION OF MEMBERSHIP

Termination of Club membership shall result in the loss of the right to utilize Club facilities and participate in Club events.

Relatives must be accompanied by the member at all times. Members may bring no more than 5 “Out of Town Relatives” per visit and this number is under Club Management’s discretion.
